ARG	13:20
POR	14:00
CHI	14:35
ITA	14:45
January 4th, 2024	
Team	Start
ESP	09:00
GER	10:35
FRA	11:00
GRE	11:40
CRO	12:20
TUR	12:35
UKR	12:50

Start times are approximate, Team Leaders should verify the actual time with the Chief Measurer about 20 minutes before the time shown in the above table. Teams should be ready in the queue at least 10 minutes before their assigned time.

Equipment shall be presented as follows:

- In accordance with the Equipment Inspection Regulations and Policies Boats shall be presented ready for Boat weight (101 kg) as per CR 6.1.
- Mast down and disengaged from boat.
- Centreboard and Rudder do not need to be removed.
- Sails without covers.
- No Personal nor portable equipment on board (PFD's, Painter, Jib Luff wire, Gloves, Water bottles, Flip flops and Covers shall not be on the boat)

On the day of their assigned measurement slot, boats should not be sailed until after they have completed their inspection. Boats to be inspected in the morning session should be dried properly overnight.
